## PROFESSIONAL SUMMARY

Dynamic leader with experience as Club President at Dublin High School, fostering teamwork and collaboration. Skilled in 3D animation and problem-solving, I successfully organized engaging events and developed partnerships, enhancing member growth and community involvement. My experience as an intern at Klattworks further honed my technical skills and organizational abilities.

## EDUCATION

Dublin High School, Dublin • Expected Graduation 06/2027

Courses: Honor Roll 2022-2023 (Both Semesters), AP Precalculus, AP World History, AP Computer Science, Honors Chemistry, Advanced Placement Biology

## SKILLS

3D animation, Photo and video editing, Quick learner, 3D Modeling, Teamwork and collaboration, Problem-solving, Photography, Fundraising, Motivational skills, Membership growth

## PROFESSIONAL EXPERIENCE

**Intern – Klattworks, Pleasanton, CA • 06/2024 – 09/2024**

- Streamlined daily task support for staff, enhancing focus on high-priority assignments.
- Acquired industry-specific experience, applying learned concepts to relevant work situations.
- Organized and sorted files, spreadsheets, and reports for efficient retrieval.
- Developed proficiency in various software programs, expanding technical skill set.
- Formatted documents for several forms to ensure consistency.
- Sorted data from aircraft database to improve accessibility.
- Created Excel visualizations and customer logs for efficient data management.

**Club President – Dublin High School, Dublin CA • 08/2024 – Current**

- Conducting monthly meetings for 3D Animation club to promote engagement and collaboration.
- Educated new members and officers on policies to ensure organized club operations.
- Identified relevant topics, researched speakers, and coordinated presentations to enhance learning.
- Organized special activities, including service projects and regular meetings for club members.
- Fostered a supportive community among members to encourage teamwork and skill development.
- Developed partnerships with related clubs and organizations to expand networking opportunities.
